A NOTE FROM OUR DIRECTOR OF EDUCATION AND SPECIAL EVENTS:

Happy Spring! Spring is about new beginnings so it seems appropriate that this is my first season as Director of Education and Special Events. I have had the pleasure of working here at BlackRock as the Education and Community Engagement Program Manager for a number of years and am excited about this new position. It has always been BlackRock's mission to provide enriching, quality arts opportunities and experiences to our community and I look forward to making sure we meet this goal.

As you look through the classes in this catalog, I hope you find some long-time favorite classes as well as some new ones that pique your or your child's interest. There are some fantastic new classes for kids as well as some great adult classes for you too! It is also that time to think about camps, so check out our **spring break and summer camps** that are **now on sale**.

Besides our classes, BlackRock is a wonderful place to explore and experience. Please stop by to visit one of our galleries, see one of the incredible performances or come to one of our FREE community days. Regardless of the reason, I look forward to seeing you here soon.

Thanks so much,

PHOTOGRAPHY RELEASE:

BlackRock reserves the right to use photographs and video, taken in class or at the Center, of students, participants and/or their artwork for the purposes of instruction and/or advertising and promotion of BlackRock and its programs.

REGISTRATION: Online registrations for classes and camps are available at blackrockcenter.org and are confirmed immediately, spaces cannot be held without payment. Students and parents are also welcome to register over the phone by calling 301.528.2260 or in person at the Front Desk. Online registration is not available after the first meeting of the class. Those interested in joining a class after the first meeting may do so in-person or over the phone at the discretion of the BlackRock Education Department. Registrations will not be accepted for classes after the second meeting.

REGISTRATION CONFIRMATION: Confirmations will be emailed for class registrations. Waiting lists will be set up for classes at maximum enrollment and you will be notified when space becomes available.

CONSERVATORY VS SEASONAL CLASSES: A Conservatory class is defined as a year-long class that builds a student's skills throughout the academic year. A Conservatory student takes the same class with the same teacher for the year and is expected to participate in the full class. A student who wishes to join a Conservatory class after the first class has begun must receive permission from the instructor and the Director of Education. A pro-rated tuition fee will be calculated based on the date the student joins the class. Conservatory classes culminate in mid-year conservatory demonstrations in December and spring conservatory recitals in June on our main stages.

A Seasonal class is a shorter sequence of classes spanning a single session: fall, winter, spring or summer. Seasonal classes culminate in open classes and performances during our sharing week: the last session of every class. Seasonal classes will not be prorated for late registration.

CONSERVATORY PAYMENT PLAN:

For our year-long Conservatory classes, we have several payment plan options available. Payment plans can only be processed using a valid credit card. The first installment of the selected payment plan, plus a \$20-\$50 processing fee depending on the plan selected will be due immediately at the time of registration (See website for details). **For those joining the Conservatory in Jan, the only payment plan options available is a two part plan** (50% down, balance due Feb 1). When setting up an online payment plan, you must click "Accept Payment Plan" in order to move forward with your selected plan, otherwise the full amount of the class will be charged at the time of registration. If you purchase a year-long Conservatory class and a Seasonal (only fall, winter, spring or summer) class/camp at the same time, the selected payment plan will only apply to the Conservatory class. Your Seasonal class must be paid in full at the time of registration. If a credit card is declined, families have 10 days to supply BlackRock with their payment and must provide a new valid credit card. Failure to pay a scheduled payment after the 10-day grace period will result in withdrawal of that student from the class and all payments made to date as part of the payment plan will be forfeited. For more details on Payment Plans for Conservatory classes, visit our website under "Education Policies."

CLASS CANCELLATIONS: BlackRock reserves the right to cancel a class for any reason. In the event BlackRock must cancel a class, full refund of tuition is guaranteed. Early enrollment is advised to reserve a space in each class and to avoid possible cancellation.

SUBSTITUTIONS: BlackRock reserves the right to substitute faculty when necessary. Refunds will not be issued due to a change in faculty.

PAYMENT INFORMATION: Payment must be made at the time of registration by cash, check or credit card. There is a \$35 charge for returned

checks. VISA, MasterCard, AmEx and Discover payments are accepted. Spaces will not be held without payment or payment plan agreement.

Requests for payment plans must be made in person at BlackRock or over the phone they may not be made online. Payment plans are available using a valid credit card for payment only. 50% of the registration fees plus a \$20 payment plan processing fee are due in full at the time of registration. The balance will be automatically charged by the registration system to the credit card on file prior to the start of the first class. If the credit card charge should fail, payment is due in full prior to the second class or the student will automatically be withdrawn and all payments made to date as part of the payment plan forfeited. Should the student choose to not attend class after registering, all withdrawal policies and fees will remain in effect.

TRANSFERS, REFUNDS, AND WITHDRAWALS: Requests for refunds and withdrawals may be made by calling the education department at 301.528.2260 or by emailing classes@blackrockcenter.org. A credit is not convertible to a refund at any time. Credits are good for one calendar year from the date the credit is issued. When BlackRock cancels a class we will call the payer/registrant to offer options of transfers, credits or refunds. None of these will be processed without direct communication between the payer/registrant and the Education Staff. If we do not hear from a payer/registrant for more than 4 weeks after a class is cancelled, we will automatically process a credit.
