Husband and wife duo unveil new exhibit at BlackRock in Germantown

Husband and wife artists Ron Loyd and Jodi Walsh are putting their creations on display at the BlackRock Center for the Arts in Germantown.

The exhibit, titled "His & Hers," celebrates the ceramic works the two have created.

Loyd incorporates the Korean Kohiki technique, using iron-rich clay that is coated with white slip then altered to create unique patterns.

Walsh captures colors and textures she experienced while living in Asia, Africa, and Europe, and expresses them with

beautiful 3-D ceramic forms, often dangling in graceful clusters.

The exhibition is currently on view now through Dec. 19, in the Main Gallery. On Saturday, the center will host a Meet the Artists Reception from 5:30 p.m. to 7:30 p.m. The exhibition and reception are free and open to the public.
