

# Creative ReUse Center -- Donations

We are excited to receive your fine art, craft and textile donations! We accept donations of art & craft tools as well as supplies. Customers also get very excited about any vintage items they can't currently find in stores!

We make it as easy as 1, 2, 3!

1. Read our list of accepted materials on the next couple pages!
2. Bring your donation in a box or bin that we can keep.
3. Organize like materials in bags before packing in a box, if possible.

Donations are accepted at BlackRock during our Open Hours, no appointment needed.

If you have questions about your donated items or your items are not on the list, please contact us [here](#)

If you'd enjoy volunteering to help process these donated items for Retail display, please sign up [here](#)

# Accepted List of Donations
